## K-LITE TRANSFORMS LANDSCAPES WITH HIGH-QUALITY ARCHITECTURAL LUMINAIRES

**E**stablished in 1977, K-Lite offers an extensive range of high-quality architectural luminaires and poles for diverse applications and design preferences. Since its inception, K-Lite has focused on the production of sustainable and efficient LED luminaires through its manufacturing units. K-Lite's products meet stringent quality standards while embodying elegant aesthetics.

K-Lite's landscape products are designed to withstand various environmental challenges such as wind, water, direct sunlight, rain, and dust. Each outdoor luminaire boasts high IP (ingress protection) and IK ratings, ensuring robustness and durability suitable for outdoor and landscape applications.

K-Lite's comprehensive and versatile range of products includes linear wall washers, up-down lighters, LED strips/ neon flex, promenade lights, bollards, underwater lights, post top luminaires, bulkheads, pathfinders, IP67 linear profiles, polar light, and a newly introduced series of facade lights.

K-Lite's commitment to innovation and quality reflects in every product, blending functional efficiency with visual appeal. Each luminaire in the landscape range is meticulously crafted to enhance outdoor spaces, offering illumination and enhancing the aesthetic appeal of architectural environments. Whether illuminating pathways, accentuating building facades, or creating ambience in public spaces, K-Lite's luminaires deliver reliability and elegance, making them the preferred choice for architects, landscape designers, and developers aiming to transform outdoor spaces with lighting solutions that integrate form and function perfectly.
